**Before you travel:** You receive a refund.

**During your trip:** The CAA arranges to bring you home.

**Your booking money:** Protected against loss.

### MAKING A CLAIM

#### CAA, not us

Claims for ATOL refunds go directly to the Civil Aviation Authority. Keep this certificate with your other travel documents. More info at [caa.co.uk/atol-protection](https://caa.co.uk/atol-protection).

**Why this matters:** ATOL has refunded more than £4bn to travellers since 1973 in cases of operator failure. Your trip is fully protected.
